Subject: 1800F Collocation, Auditorium, and Childcare Center Project (Contract No. 47PM1119C0006 (the "Contract")): GSA Response to Proposed NAS MOU

Dear Mr. Meissner:

Thank you for proposing the MOU. GSA has reviewed the MOU and determined that the terms of the proposed MOU require GSA to give up significant rights for little consideration, seeing that the 1800 F Collocation Project is nearly complete. As an alternative, GSA would be willing to consider waiving its claim for liquidated damages if CAC-Motir submits an invoice for final payment and releases GSA from any and all claims arising under or relating to the 1800F Collocation Project.

Sincerely,

Chrischanda S. Smith
Contracting Officer
General Services Administration
